Courtney,

Thanks for the update. I'll call Mickey next Monday and ask him why he gave only 10 CD's to your contractors. I'd understood from my last conversation with Mickey that there were fifteen CDs.

Courtney:

I was just informed that one of the CD cases that I left earlier today on your desk contains two disks, so that the total count is ten CDs, not nine, as previously stated.

Courtney:

Toeroek received nine CDs of images for the documents transported to Dallas/EFMC yesterday. They

are numbered 2, 4, 5, 6, 7, 8, 9, 10, & 11. Please note that the latch on the case for CD-2 appears to be broken.

I will leave them on your desk.
